FEELING THE PULSE

Of the People on Question of Candidates
and the Issues.

Special to Ohio State Journal.

New York, May 6.—The farmers of
Ohio, Pennsylvania, New York and
other Middle states are expressing
their political views by postal in answer
to questions submitted by The
American Agriculturist. The contest
closes May 23, but returns up to last
Saturday night will be printed this
week for all the leading candidates.

Out of the views expressed by farmers
in the Middle states Allison has 122
votes, Harrison 18, McKinley 379, Reed
12. The Democratic preferences are
more scattered. Hill leading with 100,
followed by Cleveland 57, Patterson 44,
Whitney 41, while in the third party
Cameron leads with 50, St. John next
with 49. The vote is 4 to 1 for restoring
the protection policy of the McKinley
bill and 20 to 1 for restoring
reciprocity, but the proposed federal
bounty on agricultural products is so
far opposed by about 3 to 1. The single
gold standard is opposed about 4 to 1.
International bimetalism is favored
4 to 2.

Opinions are just about equally divided
concerning the continuance of
the present financial policy, while the
vote on free coinage of American silver
is 228 for and 879 against, and for free
and unlimited coinage of silver 50 for
and 109 against. The American Agriculturist
also prints the results of a
similar canvass that is being conducted
over the rest of the country by its
various editions for the different sections.
The figures show a similar divergence
of views on financial issues. Taking
the country as a whole out of the
returns up to May 3 Allison had 267
votes, Harrison 89, McKinley 1288,
Reed 118. Democratic—Hill 171, Boies
108, Cleveland 94, Patterson 73. Third
party—Tillman 107, Cameron 87, St.
John 84, Bidwell 59.

Bringing Down the Trotting Record.

Dexter reduced the record to 2.17 1/4
in 1897, and Goldsmith Maid carried it
down to 2.14 in 1874. Rarus, driven by
John Splan, was the next record-breaker.
He trotted in 2.13 1/4 at Buffalo,
August 3, 1878, and Mr. Bonner paid
\$30,000 for him. He was a horse of
majestic stride, trotted in 2.11 1/4 at
Tarrytown, traced to Messenger, and
died badly crippled by rheumatism.

St. Julien, by Volunteer (son of Hambletonian), dam Flora, by Harry Clay,
obtained a record of 2.11 1/4 at Hartford,
August 27, 1880, and he surrendered
the crown to Maud S., who surrendered
it for a single day to Jay-eye-see, and
after her came Sunol, 2.08 1/4, Nancy
Hanks, 2.04, and Alix, 2.03 1/4.—[May

IN THE OIL FIELDS.

The C. J. Garver & Company well on
Hunter at Long Run was reported last
night to be in and dry.

Sistersville, W. Va., May 6.—The big
gusher belonging to the Devonian Oil
Company, on the Doc Stealey farm,
was agitated today, and is making 135
barrels an hour. This well came in
Monday and was making 80 barrels an
hour up till today. This increase is
unprecedented in the annals of this
field and something new for the Big
Injun sand.

Shay & McMullen's No. 2, on the
Dan Weekly farm came in this evening
and is good for 480 barrels a day.

Bettman & Watson's well on the
Shingleton farm, out at Wick, was
drilled in this evening and immediately
filled the well 600 feet, and starts
off at the rate of 100 barrels a day.

M. Spencer No. 3, a quarter of a mile
west of the Big Moses, struck the pay
today at noon, and is making 10 barrels
an hour.

Parkersburg, W. Va., May 6.—The
No. 4 well of the Henry Oil Co. was
commenced on the Corbitt farm Saturday.
The company's No. 3 well is the
best in the field and has pumped 20
barrels right along ever since drilled in.

The fight between the two companies
claiming the T. B. Harness is still on
and, as the result, nothing has been
done.

Baer & Alford drilled in a 100-barrel
well last night. It is their No. 3 on
the Ogden farm in the Waverly field.

Burning Springs, W. Va., May 6th.—
No. 11 on the oil tract is drilled in and
is a duster.

S. F. Roberts struck a big well yesterday
on Chestnut run.

Several wells have closed down on
account of the scarcity of water for
the boilers.

A well drilled by Joe Park on the oil
tract had but 93 feet of salt sand,
while another, being put down by the
Oil Well Supply Co., has already 250
feet and the company are not yet
through the sand.

The settlement at Marietta, the first
in Ohio, was commenced Apr. 7th, 1788,
and regular Sunday services were
commenced only three months later and
have continued until the present time.
The Ohio Company paid a portion of
the salary of a minister for several
years so that the colonists enjoyed religious
privileges almost from the first. During
the Indian War the people were
often imperiled, and many had
grave doubts respecting the permanence
of the Colony. For this reason the
First Church was not organized until
Dec. 6th, 1790, or one hundred
years ago. The Centennial of Congrega-
tionalism west of the Allegheny
Mountains will be appropriately celebrated
at the 44th annual meeting of the
Ohio State Association which will
be held in the old First Church, commencing
next Tuesday evening. The
program announces ten important
papers, by eminent men, on a wide
range of topics, all of which will be of
great interest. Wednesday evening
will be devoted to a history of Congrega-
tionalism in Ohio. At the close of
the services at the church a reception
will be given by the ladies, in Andrews
Hall, where the people of the city will
have an opportunity to meet the guests
from abroad.

On Thursday evening addresses will
be made by representatives from other
States which were a part of the original
Northwest Territory. The First
Church, in which the meeting will be
held, is the oldest building in Ohio
now used for church purposes.

Bids for a Barge.

The following bids have been received
at the office of the U. S. engineer
for a new barge for use in the Muskingum
river improvement:

Vincent School Report.

The first term of Vincent graded
school began Nov. 11, 1895, and closed
May 1, 1896. Number enrolled 90, 44
in primary and 46 in graded department.
The attendance was exceptionally
good, the per cent being 94, thirty-
seven being present every day. Classes
were sustained in all the common
branches and in several of the higher.
The school made excellent progress in
every branch, proof of which was
made known by the way in which the
pupils graded on final examination.
The pupils are to be particularly com-
mended on the manner in which they
conducted themselves in deportment,
no pupil being reprimanded through-
out the whole term.

The teachers and pupils desire to
thank the Junior Order of American
Mechanics of Vincent for the beautiful
American flag presented to the school.

The teachers take this occasion to
thank the people in general for the
support given, and more especially to
express their gratitude to each pupil
for the respect shown to them, and the
way in which the school was sustained
through all their teachers' short-
comings, and if there has been stirred
in any one of them a deeper love for
school work, considered in its true
sphere as a preparation for after life,
or a higher regard for the cause of
education, they shall feel amply re-
warded.

Of Interest to Bicyclists.

On or about May 13, if the weather
permits, there will be a race between
a sextet bicycle and the Empire State
express, near Albany. Since the bi-
cycle has conquered the horse on the
track the friends of wheeling are an-
xious to prove even the steam engine
inferior. The fast mile of the Empire
State express, made in 37 1/5 seconds,
is the goal of bicyclists' ambition, and
a trial at that record will be had. If
this time is beaten it will prove the bi-
cycle the fastest method of locomotion
on earth. A track six miles long is
now being prepared parallel to the
New York Central's tracks, near Al-
bany. The wheel has already been
built and is a sextet, geared to 196
inches. If the men to ride it can turn
their pedals three times to a second, as
is hoped, the train record for a mile
will be beaten two and two-fifth sec-
onds. The veteran trainer of bicycle
riders, John West, has taken charge of
the riders who are to make the at-
tempt at the record.—Columbus Dis-
patch.

Wages Cut Down.

BIDDEFORD, Me., May 7.—A general
cut down in all the departments of the
Pepperell and Laconia mills, to take ef-
fect May 18, was officially announced
Wednesday noon. The average reduc-
tion is about 9 per cent, and the new
schedule practically conforms with
that in effect prior to the increase made
in June of last year. About 3,500 hands
are affected by the cut.

The Czar and the Shah.

St. PETERSBURG, May 7.—The most
cordial communications has been ex-
changed between the czar and Muzaf-
fer-Ed-Din, recently proclaimed shah
of Persia. These communications are
looked upon as auguring well for the
future relations between the govern-
ments of the two countries.

A Little Boy Drowned.

BOONEVILLE, Ky., May 7.—The little
seven-year-old son of William Eversoll
was drowned here. He and his brother
were playing on some logs in the river
when the little fellow fell into the wa-
ter. His brother was unable to ge
him out.

Condensed Testimony.

Chas. B. Hood, Broker and Manu-
facturer's Agent, Columbus, Ohio, cer-
tifies that Dr. King's New Discovery
has no equal as a Cough remedy. J.
D. Brown, Prop. St. James Hotel, Ft.
Wayne, Ind., testifies that he was cured
of a Cough of two years standing,
caused by La Grippe, by Dr. King's
New Discovery. B. F. Merrill, Bal-
dwinville, Mass., says that he has used
and recommended it and never knew it
to fail and would rather have it than
any doctor, because it always cures.

A Resolution.

A RESOLUTION TO IMPROVE FOURTH
STREET IN THE CITY OF MARIETTA,
OHIO, FROM THE SOUTHERLY LINE OF
OHIO STREET TO THE NORTHERLY
LINE OF MONTGOMERY STREET.

Be it resolved by the City Council of the
City of Marietta, Ohio, two-thirds of the whole
number of the members elected thereto con-
curring, That it is deemed necessary by said
City, and this Council, hereby declares that it
is necessary to improve Fourth street in the
City of Marietta, Ohio, from the southerly line
of Ohio street to the northerly line of Mont-
gomery street, by excavating, grading, pre-
paring foundations, constructing a curb on
each side of the roadway, and paving with
brick said roadway, in accordance with the
plans, profiles and specifications relating to
said improvement on file in the office of the
City Civil Engineer of said City.

The cost and expense of said improvement,
less the cost and expense of that part of said
improvement which the Marietta Street Rail-
way Company is or may be required to con-
struct under the terms of its franchise from
said City, less the cost and expense of so much
of said improvement as may be included in
the cross-sections of said improvement with
the streets and alleys crossing
the same or intersecting therewith, and
less One-Fifth of the entire cost and expense
thereof, shall be assessed per front foot upon
the lots and lands abutting thereon; said as-
essment shall be payable in twenty semi-an-
nual installments, and bonds shall be issued in
anticipation of the collection thereof, and the
City of Marietta is hereby considered to be the
owner of the property known as Capitolium
Square, Quadrangle Square and Greene Street
School property for the purpose of this resolu-
tion.

That the City Clerk be and he hereby is di-
rected to cause this resolution to be published
for three consecutive weeks in some news-
paper published and of general circulation in
said city, and Carl Becker is hereby appointed
to serve, in the manner provided by law for
the service of summons in civil action, written
notice of the passage of this resolution upon
the owners of the property abutting upon said
improvement, or upon the persons, respec-
tively, in whose names, respectively, such
abutting property may be assessed for taxa-
tion upon the tax duplicate, who are residents
of Washington County, Ohio, as required by
law.
